LIGHT SPEED TRADING CO. W.L.L. – PRODUCT & SERVICE FAQ

Your trusted partner for industrial and commercial plastic storage solutions in Qatar.

1. COMPANY OVERVIEW

Q1: Who is Light Speed Trading Co. W.L.L.?

A : We are a Qatari trading company, established in 2021 (CR No: 154925), specializing in high-quality plastic storage solutions, security plastic bags, shoes, and gift items. We serve as a professional supplier to the industrial, commercial, and logistics sectors.

Q2: What are your official contact details?

A : You can reach us through:

- **Sales & General Inquiries :** +974 4418 8282 / +974 5995 8282
| sales@lightspeedtc.com
- **Accounts :** accounts@lightspeedtc.com
- **Fax :** +974 4418 8383
- **Website :** www.lightspeedtc.com
- **WhatsApp :** +974 5995 8282

2. OUR PRODUCT RANGE

Q3 : What main product categories do you offer?

A : Our comprehensive catalogue includes:

- **Pallets :** Flat, Grid, and Spill Pallets.
- **Containers :** Heavy-Duty & Normal-Duty (Collapsible & Solid).
- **Waste Management :** Outdoor Plastic Waste Bins (70L to 1200L).
- **Crates :** Bakery, Dates, Fruits, and Milk Crates.
- **Liquid Handling :** IBC Tanks & Dollies, Water Racks.
- **Storage Systems :** Euro Shelf, USA Shelf, Rackable, and Nestable Bins & Boxes.
- **Specialty :** Sharp Containers for medical waste.

Q4 : What materials are your products made from?

A : Our products are primarily manufactured from high-quality, durable plastics like HDPE (High-Density Polyethylene) and PP (Polypropylene), chosen for their strength, chemical resistance, and suitability for various temperatures.

3. PRODUCT SPECIFICATIONS & CUSTOMIZATION

Q5 : How can I get detailed specifications like dimensions and load capacity?

A : The catalogue provides model overviews. For detailed technical specifications, datasheets, and load-bearing capacities for any product, please contact our sales team with the specific product name or code.

Q6 : Are your products suitable for food-grade or hygienic applications?

A : Yes. We offer specific "Hygiene" variants of pallets and crates, and can source food-grade certified products (e.g., for IBC tanks, crates). Please inform our sales team of this requirement so we can provide the correctly certified products for your industry.

Q7 : Do you offer product customization or branding?

A : Yes. For bulk orders, we can explore customization options including company logo printing, specific color matching, and in some cases, custom sizing. Discuss your needs with our sales team for a feasibility assessment and quote.

Q8 : What colors are available?

A : Standard industrial colors are available for most products. Custom colors can be discussed for large-volume orders.

4. PALLETS – FLAT, GRID & SPILL

Q9 : What is the difference between Flat Pallets and Grid Pallets?

A : Flat Pallets have a solid deck, ideal for small items and uniform loads. Grid Pallets have an open mesh design, offering better airflow, drainage, and are lighter, making them perfect for produce or wet environments.

Q10 : Are your spill pallets compliant with environmental regulations?

A : Our IBC and drum spill pallets are designed for secondary containment of hazardous liquids, helping to meet spill prevention regulations. They feature integrated sumps with capacities (from 40L to 1300L) to capture leaks. Request technical datasheets for specific compliance details related to your operation.

Q11 : Are your pallets compatible with standard forklifts?

A : Absolutely. Our pallets are designed for compatibility with standard forklifts and pallet jacks, with options for 2-way or 4-way entry as indicated in the model descriptions.

5. ORDERING, PRICING & PAYMENT

Q12 : How do I get a price quote?

A : Please email sales@lightspeedtc.com or call us with the product names/codes, desired quantities, and delivery location. We will provide a prompt, detailed quotation.

Q13 : Do you offer bulk or wholesale discounts?

A : Yes, we provide competitive tiered pricing for bulk and wholesale orders. The discount structure is based on order quantity and will be outlined in your custom quote.

Q14 : Is there a Minimum Order Quantity (MOQ)?

A : MOQs vary by product type. Please inquire about your specific items of interest, and our team will confirm the applicable MOQ.

Q15 : What are your payment terms?

A : We offer flexible payment options including bank transfer and cash. Credit terms may be available for established corporate clients. Specific terms will be confirmed with your formal quotation.

Q16 : Do you provide proforma invoices?

A : Yes, a proforma invoice with itemized pricing and payment details will be issued for every confirmed order prior to payment.

6. DELIVERY & LOGISTICS

Q17 : Do you deliver throughout Qatar? What are the charges?

A : Yes, we deliver across Qatar. Delivery charges depend on order size, weight, and destination. We may offer free delivery for orders above a certain value – please confirm this with your quote.

Q18 : How long does delivery take?

A : For in-stock items, delivery is typically within a few business days. Lead times for specialized or very large orders will be communicated upfront. We also strive to accommodate urgent requests.

Q19 : Can I collect my order myself?

A : Yes, self-collection can be arranged from our logistics center. Please coordinate the pickup details with our team when placing your order.

7. WARRANTY, RETURNS & SUPPORT

Q20 : What is your warranty policy?

A : Our products come with a standard warranty against manufacturing defects. The specific warranty duration and terms vary by product and will be provided with your purchase documentation.

Q21 : What is your return or exchange policy?

A : We accept returns for defective or incorrectly supplied items if reported immediately upon delivery. Products must be unused and in original packaging. Please contact us at once with photos and your order details to initiate a return or exchange.

Q22 : Do you provide after-sales support?

A : Yes. Our team provides ongoing support for product usage, maintenance advice, and can assist with troubleshooting. We are your partner beyond the point of sale.

8. SERVICES FOR CORPORATE CLIENTS

Q23 : Do you offer corporate accounts?

A : Yes. We provide dedicated corporate accounts and can discuss credit facilities for qualifying businesses. Please contact accounts@lightspeedtc.com for an application.

Q24 : Can I request a product sample?

A: Samples are available for serious bulk purchase inquiries. Contact our sales team to discuss sample availability, the specific product, and associated terms.

Q25 : Do you provide consulting for storage optimization?

A : Our experienced team can provide recommendations on product selection and layout to optimize your storage space and operational workflow, especially for large orders.

For any questions not covered here, or to discuss your specific needs, please do not hesitate to contact our dedicated sales team. We are here to help you find the perfect storage solution.
